American Youth Football is on a mission to give back to the community. The **NFL** recognizes American Youth Football's firm commitment to its **GIVING BACK** campaign and has made AYF a national youth partner of the National Football League. American Youth Football's "Giving Back" programs range from: financial grants to leagues who need assistance; shoes/uniforms from **Under Armour**, **Riddell** and **Varsity**; field development in conjunction with FieldTurf; recognition for administrators who are making a difference in the AYF Hall of Fame; and in partnership with **Sadler Sports Risk Management**, making league safety and communication a priority.

MISSION STATEMENT

*“Nearly all men can stand adversity, but if you want to test a man’s character, give him power.”
- Abraham Lincoln*

AMERICAN YOUTH FOOTBALL, Inc., (AYF) established in 1996, is an international youth football organization established to promote the wholesome development of youth through their association with adult leaders in the sport of American football. Rules and regulations are established to ensure that players play in an atmosphere of safety with a competitive balance between teams. Scholastic requirements for participation ensure that each participant understands that schoolwork comes first. Being all-inclusive for those teams who cannot or do not want to participate in AYF-sanctioned post-season, AYF encourages Independent Local Leagues to join, in order to receive the same benefits and services as our National Tournament members.

For the greater good, a “Kids First” Philosophy is mandated to and expected of all AYF member organizations.

OBJECTIVES

“Winning is only half of it. Having fun is the other half.” - Bum Phillips

AYF welcomes all youth athletes to become involved in football and cheerleading, regardless of race, religion, national origin, and sex. Special divisions exist to serve various ages and weight groups, as well as children with special needs.

AYF welcomes all leagues, regardless of financial capabilities, location and participation. At AYF, we pledge to support youth football and do our best to help leagues who exist, in order to strengthen their local communities.

AYF allows its independent “**Local Members**” to govern themselves by remaining non-intrusive, so long as they subscribe to the following principles:

1. Safety
2. Sportsmanship
3. Full Participation (everyone gets to play).

AYF requires its “**Tournament Members**” adhere to the official rules and regulations in this rulebook.

AYF brings consistency to its rule interpretations and compliance by its effort to have open and constant communication with all of its members. If any AYF members have questions regarding the rules outlined here, please contact the Football Commissioner. AYF will strictly enforce its rules to maintain the integrity of its programs, as well as the safety and well-being of its participants. By following these guidelines, we hope to ensure that AYF coaches and administrators are exemplary adult role models for our young athletes.

All AYF members have the ability to communicate directly with the AYF National Staff. The AYF National Staff will not tolerate disciplinary actions being taken against members or parents who choose

to contact the National Office directly. Contact information can be found online at www.AmericanYouthFootball.com.

AYF members believe that each of us can make a difference where we live and how we live. AYF believes that ALL kids deserve equal opportunities, special attention and respect.

"Never mistake kindness for weakness" - Joe Galat

GOALS

"It's 4 the kids" - Ralf D'Andrea, Jr.

- To provide a wholesome competitiveness within the scope of our rules and regulations that will protect the youth athletes.
- To teach the fundamentals of football and coordinate cheerleading activities.
- To provide a responsible football and cheerleading program when none are provided by the local public school system.
- To influence good sportsmanship, teamwork, highest moral and physical standards and the importance of scholarship by recognizing and rewarding academic achievement.
- To lend leagues support while remaining NON-INTRUSIVE to local operations.
- To make youth football ALL-INCLUSIVE by not excluding participants based on superficial factors (such as weight).
- To provide programs for special needs, at-risk and anti-gang groups, and the international football community.
- To recognize and reward Organizations, Coaches, Volunteers, and those involved in the sport of football and cheerleading who exemplify the highest degree of Integrity, Honor and Servant Leadership (ability to put the team ahead of self in every decision, accepts and fulfills a role).
- To provide opportunities, regardless of organizational size, by offering a Division I and Division II competition at championship events in the National Competition. The DII level of play is for organizations that may be located in smaller communities or for whatever reason may not be able to compete at a level that would afford them the opportunity to compete in an inter-conference Regional/National tournament.
- To annually communicate, update and revise the rulebook in order to provide clear, concise and consistent rules, thereby eliminating real or perceived violations of those stated rules. This allows for strict enforcement of rules, whether a direct violation or a violation of the spirit of the rule. Thereby insuring the integrity of AYF and fair play by all. Understanding always that this is a youth organization and we are all role models for our youth.

ORGANIZATION

“Organization is a habit” - George Allen

Board of Directors

AYF is guided by a Board of Directors. The Board is responsible for overseeing the National staff on matters that relate to their individual talents and expertise. The AYF National Office conducts the day-to-day operations of AYF. This staff will be under the guidance of the President of AYF. Positions will be added to the staff as necessary.

Football Advisory Board

The AYF Football Advisory Board is composed of individuals whose knowledge and experience provide valuable advice and insight to issues that affect AYF. The primary purpose of the AYF Football Advisory Board is to advise and guide AYF on matters related to rules and regulations that affect all forms of play.

SECTION 1 - MEMBERSHIP STRUCTURE

Organizations can participate in one of two participation levels: AYF Local Structure or AYF Tournament Structure.

A) Local Membership Structure

AYF Local Membership Structure stays true to the AYF objective of remaining non-intrusive and supporting all football and cheer teams regardless of their competitive intentions. Organizations that DO NOT plan to participate in AYF inter-league tournament competitions have the freedom to participate as a member of AYF; as long as organizations abide by the three principals of: safety, sportsmanship and full participation (everyone gets to play). Local Membership Structure leagues can retain independence in creating a structure that specifically fits their group's needs. You must submit your intention to participate locally upon registration at www.JoinAYF.com. AYF encourages its local members to follow this Official Rulebook whenever possible.

B) Tournament Membership Structure

AYF Tournament Membership Structure pertains to those Conferences that plan to participate in AYF inter-league play: AYF sanctioned regional tournament competitions, AYF National Championships. These conferences must strictly abide by AYF Rules and Regulations as outlined in this Official AYF Rulebook. This Rulebook must be followed at all times, this includes but is not limited to pre-season, In-Season, and postseason play (Year Round). All Tournament members must make their intention to participate in the AYF National Tournament known to the current National Football Commissioner at Football@AmericanYouthFootball.com by August 1.

SECTION 2 - STRUCTURE DEFINITIONS

A) Region:

A Region is defined as a geographic territory. The geographic territory is determined by the AYF National Office. The eight regional territories that make up AYF can be found online at MyAyf.com. A Region is comprised of Member Conferences within a territory that has applied for and has been granted membership by the National Office.

B) Conference:

A Conference is defined by the geographic boundary of its membership. A Conference's membership is comprised of the Associations that have applied for, and have been granted membership by the Conference's governing body. In keeping with the American Youth Football's Goals and Philosophies, no application for membership should be unreasonably withheld.

C) Association:

An Association is an organization, whether legally formed or not, assembled for the purpose of organizing and operating a youth football and/or cheer program. Associations may be organized by locales, cities, towns or community groups. The Association must be restricted by its Conference from drawing participants from certain geographic territory/boundaries. The acceptable method and determination of what participants can register within any given Association will be governed by the Conference/Region to which it is a member. The movement of a participant from one member Association to another must be strictly governed and enforced by the Conference/Region to which it is a member and or by this rulebook. When controversy exists over player movement or territorial boundaries or draw areas the AYF National Staff will have the final say.

An Associations' members are the Participants who have applied for, and have been granted membership by the Associations governing body. In keeping with the American Youth Football's goals and philosophies, applications must be taken on a first come, first serve basis and teams must be formed regardless of player ability (see Formation Of Teams contained in this rulebook) no application for membership should be unreasonably withheld and under no circumstances will a participant be discriminated against.

D) Participant:

A Participant is defined as a minor child that has applied for and has been granted membership within a given Association.

E) Division:

A division is defined as a grouping of Teams in specific Age and Weight Class or Grade Based Class. These Divisions are further defined under the heading of "Divisions" in this rulebook.

F) Team:

A Team is defined as a grouping within an age and weight class such as: Junior Pee Wee, Pee Wee, Junior Midget, etc.

SECTION 3 - RULE ENFORCEMENT / AUTHORITY

A) National:

All Conferences, Associations, Administrative Personnel, Coaches, Volunteers, and Participants are subject to disciplinary actions including, but not limited to, Permanent Suspension or Non-Renewal of Membership for violation of the Rules and Regulations and Terms of Service. American Youth Football National Office will not interfere with local matters and/or local rule violations, unless asked to do so by the local governing body, but does reserve the right, at its sole discretion, to enforce any and all of its rules and the spirit of its rules at any time including, but not limited to, postseason activities. American Youth Football, Inc. may impose consequences upon any of its members without conducting hearings or appeals.

B) Regional Level of Authority:

Regional Committees are required to inspect and enforce all of the AYF Participant Paperwork and Requirements for compliance with AYF Participant Certification. No participant or team shall be allowed to compete in a regional tournament game who has not met all of these requirements. Regional Committees may be called upon by the National Office from time to time, to: (1) mediate disputes between member organizations and individuals, (2) discipline both adult and juvenile members. In these events, the Regional Committees may, at the request of the AYF National Office conduct investigations/hearings, but may only make disciplinary or dispute resolution recommendations to the National Office. The National Office will, at its sole discretion, decide on the course of action to be taken.

The Regional Committee will recommend a Conference to host the Regional Championships. The hosting of Regional Championships should be considered a fundraiser and be rotated annually among the Conferences that apply to host.

C) Conference/Association Level of Authority:

Conferences are hereby required to enforce the AYF Rules and Regulations contained herein. Conference/Associations have the obligation and authority to enforce the AYF rules, regulations and the spirit of the rules and Regulations and its own rules, by-laws and other organizational materials. Additionally, Conference/Associations have the right to make any rule more stringent, but do not have the right to make these rules less strict. Any organization found not enforcing this rulebook, the rules regulations and the spirit of the rules and regulations may be suspended until compliance is achieved. Conferences are asked to submit their Rules and Regulations to the National Office by August 1 of the current season.

All Conferences, Associations and Teams in accordance with their organizational and operational materials, may be called upon from time to time to: (1) resolve disputes between member organizations and individuals, (2) discipline both adult and juvenile members and (3) may be required to take action to enforce AYF National and Rules and Regulations.

American Youth Football, Inc. does not hold hearings or appeals. Conferences, Associations and Teams are advised to set up their own procedures to handle these matters in a timely fashion.

SECTION 4 - GOVERNING RULEBOOK

AYF Tournament members follow their state and/or high school governing Rulebook for their regular season games, except where superseded by this Rulebook. AYF Tournament members will be governed by the National Federation of State High School Association (NFHS) for all inter-conference/tournament games including, but not limited to, Regional and National competitions. All AYF Rules and Regulations supersede any and all other rulebooks. The AYF National Office will determine and be the final adjudicator on any and all rule conflicts. AYF requires that all coaches receive and read this rulebook, and strongly recommends that the local organizations supply the appropriate state and/or high school rulebook to all of its coaches. Any organization found to have allowed a variance to this rulebook, the rules regulations and the spirit of the rules and regulations without filing and receiving written approval may be suspended.

D: Conference All-Star Division (See End Of Rulebook)

E: Under Armour/AYF All-Star Game (See End Of Rulebook)

American Youth Football strongly supports school football programs and will encourage all participants to join their local school team over any youth league.

1) Definition of “Max Stripped Weight”

The definition of the term “Max Stripped Weight” is as follows:

The participants weight wearing Gym Shorts and a T-Shirt as the minimum clothing.

2) Definition of “Max Dressed Weight”

The definition of the term “Max Dressed Weight” is as follows:

The participants weight wearing (uniform allowance) Football Cleats, Game Sox, Football Pants With Pads, and Game Jersey as the minimum clothing. No Clothing, Padding, Cleats etc. can be exchanged once the weigh-in has been conducted.

If your participant is so close to the weight that you are concerned about the thickness of the participant’s socks, then your participant is on the wrong team level. Understand that the participants will not be allowed to play if they do not make weight. If this becomes a big issue in your Association, consider the All-American Division where it is a grade-based, age-protected system.

For determining the Participant’s age (Protected Age), the term “on or before” and the term “as of” is intended to have the same definition (age cutoff date):

An age cutoff date of (on or before/as of 7/31) July 31st of the current season is as follows: ie: 14 yrs old on July 31st, turns 15 yrs old on August 1st the participant plays as a 14 yr old. For the National and United Division (exceptions in All-American).

An age cutoff date of (on or before/as of 12/31) Dec. 31 of the current season is as follows: ie: 14 years old on Dec. 31, turns 15 years old on January 1, the participant plays as a 14 year old in the All-American Division.

Associations and Conferences may alter the weights in any of the weighted divisions/teams to a weightless than BUT NOT more than the listed maximum weight to accommodate any special condition that may exist in your local organization such as the desire to allow for in season growth.

No other alterations to the above listed divisions are allowed without the prior written consent of the National Office. An official AYF Waiver Request Form can be found at MyAyf.com.

F: Spring Football / Summer Passing Leagues

American Youth Football (AYF) acknowledges Spring Football and Summer Passing Leagues. AYF recommends that any Conference, Association, Team participating in Spring Football and Summer Passing Leagues do so by following the format established by their local High School or State High School Athletic Governing Board.

Great care should be taken to not interfere with other Spring and Summer sports such as Baseball, Lacrosse and family vacations. American Youth Football requires that NO pressure be placed on individuals to participate. Coaches who “require” or in any way manipulate Fall participants to join or participate in any way, or coaches who do not plan and allow for participation in other sports and family vacations, should be immediately suspended from coaching any team during the regular (Fall) season. Conferences are required to monitor any Spring or Summer events. Outlines and ideas for Spring Football and Summer Passing Leagues can be found at MyAyf.com.

G: Division I and Division II

* The AYF National Division is the only division that offers a Division I (“DI”) and Division II (“DII”) level of play. The default level of play for all National Division teams is DI. For Conferences that want to offer DII level of play for inter-conference, Region/National tournaments must submit a request to the National Office by September 1st. Any Conference may offer a DII level structured in any way they see fit, however they will be entered into inter-conference, Regional / National tournament play as a DI level if they have not submitted a request and been granted, in writing, a DII Level Status for inter-conference, Regional / National tournament play. An official AYF DII Request Form can be found online. This request must be submitted by September 1st of the current season. The only criteria at this time needed for receiving DII Status, is your methodology for determining who in your organization is a legitimate DII Team. Your methodology must fit within the AYF Goals and Philosophy for its DII Level of play. DII status is reserved for organizations that may be located in smaller communities or for whatever reason may not be able to compete at a level that would afford them the opportunity to compete in an inter-conference Regional/National tournament (AYF strongly recommends a Win/Loss component be added to your methodology). Therefore, returning to a DII status the season after winning a National Tournament may not be allowed.

H: Contender Division

The AYF Contender Division enables youth with either cognitive or physical disabilities to participate in football and cheer. The Contender Division is further explained in the Official AYF/AYC Contender Rulebook.

I: Flag Division

AYF has established rules and regulations for flag football. These can be found at MyAyf.com. It is a good, economical move because the cost is minimal and no padding is needed or allowed. One of the best benefits is that you keep the kids in your program and eventually they may move into your tackle program. All the football skills are available in flag and touch football, the only exception is that there is no contact.

SECTION 6 - WEIGH-IN RULES

“To make a man, you must first build a boy”. - Tiger Ellison

American Youth Football will strictly enforce the age and weight restrictions contained in this Rulebook, as well as all other Rules and Regulations. Anyone who is determined to be over the maximum weight limit listed herein will not be allowed to participate in any Local, Regional or National game or event.

If a participant within your program is determined to be over the maximum weight limit at the National Tournament they will not be allowed to participate. You are hereby obligated to inform all that there will be no exceptions, no travel refunds, and no appeals of the weigh masters decision.

Associations, Conferences, and Regions must adopt and agree on weigh-in rules and procedures but must meet the following minimum requirements.

1. Weigh-ins **MUST** be conducted prior to each game.

2. When Pre-Season practice begins, all players must be weighed to insure proper team placement. Parents **MUST** be informed of the possibility of the participant not being allowed to play if they do not make weight prior to each game.
3. When Pre-Season practice begins, any participant found to be ten or more pounds above the Max Stripped Weight for their specified team level, at the Pre-Season, or In-Season weigh-in, must move up a level prior to the roster certification cutoff date, or be dropped if no All-American Division exists. No child may practice or remain on a team if they are 10 or more pounds over the Max Stripped Weight.
4. Any “Sweat Down” or “Extreme” weight loss used by a player to make weight will be grounds for immediate suspension for the player’s own safety.
5. Any Coach, Administrator or Team Personnel found to have advised, encouraged, or tolerated any “Sweat Down” or “Extreme” weight loss techniques will be grounds for immediate suspension. Suspension will be anywhere from one year to permanent depending on the severity. Head Coaches will be held responsible for the actions and/or inactions of all team personnel.
6. The only two acceptable methods of verifying a participants weight are as follows:
 - a. **Maximum Stripped Weight** - Player steps on scale wearing at a minimum gym shorts and a tee shirt.
 - b. **Maximum Dressed Weight** - Player steps on scale wearing football cleats, game socks, football pants with pads, game jersey as the minimum clothing. No clothing, padding, or cleats can be exchanged once the weigh-in has been conducted.
7. Any Participant that exceeds the maximum weight for his registered team must not be allowed to play in that week’s game.
8. Conferences/Regions can adopt their own weigh-in procedures as far as who conducts the weigh-in but must allow at least one member from each coaching staff to attend/witness. AYF recommends that each head coach be present as they will be held responsible should any weigh-in rules be violated.
9. The Team Books including participant picture, documents, and MPR form, must be available to the weigh-in officials for player verification.
10. No player jersey numbers can be changed once the official weigh-in has been completed.
11. No two players may have the same jersey number under any circumstances.

SECTION 7 - INSURANCE REQUIREMENT

All teams must furnish proof of General Liability and Accident Insurance. The required coverage can be seen at MyAyf.com. Additionally, American Youth Football, Inc. must be named as an additional insured. All members, not covered under the AYF endorsed insurance policy are required to deliver to AYF a certificate of insurance prior to conducting any games or practices. For more information on the AYF-endorsed insurance plan, please visit MyAyf.com.

SECTION 8 - FORMATION OF TEAMS

“We all start out as children. It’s a good way to start. But only the wisest and luckiest few hold on to a Child’s heart” - Unknown

The formation of teams is done on a first come, first serve participation policy. AYF does allow registration/sign-up for “veteran (returning) players” prior to “open” registration/sign-up. Each child must be afforded the opportunity to be taught the game of football regardless of their ability. AYF does not form “Select” teams. In other words, you cannot select or recruit only the best athletes for your team. Tryouts of any kind can only be done to determine what team level the participant will be placed on and to ensure that all teams are created equally and have similarly competitive skill levels. Cutting of players is not allowed in AYF; however, there are certain guidelines that should be met if it becomes necessary to not assign a player to a team. AYF strongly recommends that the coaching staff work closely with these players before the extreme measure of dropping a player takes place. AYF believes that the game of football may just be a saving grace for this type of participant.

A) Dropping a player will be acceptable:

1. When a participant is found to have signed up as a result of parent or guardian pressure, or, he/she tells team management he/she does not really want to play football/cheer.
2. When a participant cannot furnish the required documents to be certified to a team roster, (e.g., Medical, Proof of Birth Date, etc.).
3. When a Participant shows no interest in football/cheer, is disruptive to other participants and the instructions of the coaching staff, and becomes a discipline problem.
4. When a Participant does not show up for practices. Participants must have a valid excuse from the parent(s), guardian(s) or a physician.
5. When a Participant attempts to intimidate fellow participants by word and/or physical act.
6. When a Participant is actively a member of another football team or cheerleader squad while actively participating with an AYF team (For dual participation, some exceptions may apply).

B) Dropping A Player Will NOT Be Acceptable:

Excessive team or individual conditioning drills, disciplinary actions or assigning individual player’s laps or intentionally placing player in intimidating hitting drills for the purpose of encouraging weaker players to quit is not acceptable. Coaches determined to be using this or any other tactic to drop weaker players will be immediately dismissed for the remainder of the season and may be permanently suspended.

C) Dual Participation:

Playing flag or touch football as part of the physical education requirement in the school curriculum is not counted as school team participation. While dual participation is prohibited as stated above, AYF recognizes that extenuating circumstances do exist in certain parts of the country with respect to school football/cheer programs. Any organization may request a waiver by submitting the AYF Waiver Request form, which can be found MyAyf.com.

D) Participant Recruitment:

Conferences are required to establish “Draw Area’s” or “Boundaries” for its member Associations. Should an organization/team wish to accept the application of a participant (special participant) who is (1) outside of the Associations defined draw area, or (2) previously listed on a roster with another Association, it must provide full disclosure of these conditions to the Conference members they participate with and receive permission from the Conference in a manner to be determined by the Conference. Permission should only be granted on a limited basis when it is in the best interest of the participant and when it is determined that the participant has NOT been recruited. Conferences are required to create and enforce rules and regulations to prevent one Association from recruiting the players of another Association. Under no circumstances can a Conference allow any individual team to

accept the application of more than 3 “Special Participants” without written permission from the National Office.

E) A and B Teams/Squads:

Associations that have a large number of participants at a specific team level (Jr. Pee Wee, Pee Wee, etc.), may form multiple squads, hereinafter referred to as A and B squads. Associations may roster participants on either the A or B team as their Conference/Association Rules and Regulations allow. However, the association may not “stack” one team over the other by intentionally placing all of the most talented players on the A team in order to qualify for Tournament play. Remember you cannot cut players or put them on a waiting list with the sole intention to form a superior squad.

F) All-Star Teams:

At no time during regular season or post-season play, shall a non-all-star division team be allowed to form by moving participants from existing certified rosters. All newly formed, stacked teams, considered an All-Star team will be considered “Cheating” and are subject to disciplinary actions.

At no time is a team allowed to form what a reasonably prudent person would consider an All-Star team based on the spirit of all the rules contained in the previous “Formation of Teams” paragraphs and be considered “Cheating” for purposes of determining disciplinary actions.

The formation of an “ALL-STAR” Team is only permitted for Intra-Conference play. Conferences may establish an All-Star game (e.g., east vs. west) at the same Team level at the end of its regular season only. No Participant certified on a team that is still actively participating in post-season play is allowed to also participate on the All-Star Team.

Conferences may choose to name an All-Star team or All-Conference team as an honor without playing a game. AYF fully recognizes this honor.

All Star selections with or without game participation should require the highest of Academic Standards and should be reserved for the oldest players only.

AYF All - Conference All-Star and AYF Under Armour All-Star teams are excluded from this rule.

Details on the AYF All-Conference All-Star and Under Armour All-Star can be found at the end of this Rulebook.

SECTION 9 - PLAYING SEASON / PRACTICE

“Children are the living messages we send to a time we will not see” - James Whitehead

A) Start Dates:

The AYF playing season may start as early as the fourth Monday in July and extend until December 31 of the current year. Start and end dates of the playing season may be modified for teams playing in regions with severe weather conditions. Written permission by the AYF National Office is required before any such modifications may be made. A later start date may occur for any league.

No Conference shall commence team practice until the fourth Monday in July, with the first week being dedicated to Ten (10) Hours of conditioning ONLY, before full contact is allowed.

B) Practice Length:

Pre-season practice can be on a daily basis until Labor Day, but must not exceed 10 hours a week, and two (2) hours in duration. A mandatory 10-minute break (“Mandatory Break”) after each hour of practice is required. Mandatory Breaks are not counted against the hours per week nor the maximum hours per day.

After Labor Day, all practices may not exceed a maximum of eight (8) hours, per week, with a maximum of two (2) hours duration per day. Mandatory Breaks are still required.

All players, regardless of when they join the team, must have at least one week of conditioning before they are allowed to have live contact. Even if a player joins the team after the start of the regular season schedule, 10 hours of conditioning requirement must be met.

C) Practice Staff Requirements:

- At least one coach must be present during every practice.
- Each and every coach must have a background check performed and reviewed/approved by the process established by the Association/Conference.
- There shall be at least one person holding a Red Cross Card, or of similar equivalency, present at all practices. This can be a coach or any volunteer approved by the Association.
- Conferences are required to enforce these “Staff Requirements” with its member Associations.

D) Practice Restrictions:

There shall be no “inter-team” practice or games between Teams/Divisions e.g., Pee Wee vs. Jr. Pee Wee, National Division teams vs. All-American Division teams, etc.; this does not prohibit individual fundamental coaching sessions as long as there is no full contact between players of differing teams/divisions.

The following Drills and Warm-up Exercises are hereby banned from all AYF activities. Leg Lifts, Neck Bridges, Neck Rolls, Bull in the Ring, Barrel Rolls, and any and all drills and exercises not generally accepted as safe and that may not be reflective of actions that would normally occur during the course of a football game.

The National Federation of State High School Associations (NFHS) and National Collegiate Athletic Association (NCAA) rulebooks contain strong language on blocking and tackling. AYF coaches are responsible to be fully informed and abide by all such rules of their state’s governing body (NFHS or NCAA). AYF coaches are also responsible to review these rules every year. In addition to other specific prohibitions in the NFHS and NCAA rulebooks, butt blocking, chop blocking, face tackling or spearing techniques are strictly prohibited. If such techniques or any others forbidden by the NFHS or NCAA rulebooks are taught, the coaches responsible shall be subject to disciplinary action, including but not limited to probation upon the first offense and suspension for the remainder of the season upon the second offence. Associations are encouraged to establish their own rules regulations and monitoring of their coaches. Coaches assume all liability for their actions or inactions.

SECTION 10 - PLAYING SEASON / GAMES

“Life is 10 percent what happens to me and 90 percent how I react to it”. - Lou Holtz

A) Game Clock Details / Playing Requirements/Number of Players:

Only 10 minute quarters will be utilized in all Divisions/Class of play within AYF. Maximum half time allowed will be 15 minutes.

Each team will have three (3) timeouts per half in all AYF games. Timeouts are not charged against a team for injuries or game officials' timeouts.

A maximum of 14 regular season games including Conference championships are allowed.

It is required that each team must have the minimum number of 13 players eligible and able to participate to start a regulation or play-off game. For the first games of National Championship play, each team must have a minimum of 16 players eligible and able to participate. If the number of players falls below 11 players, the game will be forfeited.

Football games are to be scheduled no more than one (1) game per week with a minimum of 48 hours (2 days) between games. The AYF National Office reserves the right to waive this rule when extenuating circumstances exist or to accommodate a championship tournament.

B) Coaching Communications:

There will be no electronic devices from the press box, coaching box, sidelines or any other position on the field that may be used to relay messages to the coaches or players at any time. Electronic devices include, but are not limited to, the use of a cell phone, Blackberry, PDA, computer or other messaging device. All Bluetooth earpiece devices are not allowed within the field of play. A coach using a cell phone for emergency purposes must step outside the coach's box, off the playing field. If it continues, the coach may be asked to leave the field for the remainder of the game. Further disciplinary action may be taken by the Conference.

C) Medical Requirements:

AYF requires the home team or hosting organization to provide medical coverage at each game. In the absence of a physician and or ambulance on site, the minimum requirement will be the presence of an individual who is EMT-certified, is currently certified in Red Cross Community First Aid and Safety or its equivalent. Therefore, no game shall start without proper medical assistance on hand.

Coaches MUST have all Emergency Medical Release Forms and Parent/Guardian Emergency Numbers in their possession at all times when team is practicing, traveling or playing in any game or competition.

Home team or hosting organization is required to introduce the emergency medical personnel to the visiting team and to review the emergency medical plan with the visiting team. The emergency medical plan shall include but not be limited to (1) ambulatory access to the field, (2) directions to the facility, (3) location of the emergency communication device, in the absence of a cell phone, and the emergency medical services numbers, as well as the local fire and police numbers.

Once an injured participant is removed from the game, they may not re-enter the game unless first approved by the emergency medical personnel covering the game. If a participant is transported off the field to a medical facility or for any reason seeks medical attention whether from an injury sustained during a game or practice, they may not resume participation without the written consent

from the examining medical personnel. An AYF Doctors Resume Participation Consent form can be found online on MyAyf.com.

D) Sanctioned Football:

The AYF Sanctioned football manufacturer is Wilson®. AYF strongly recommends using an AYF Wilson football (leather or composite) during the regular season games.

As the exclusive ball of the postseason, AYF requires the use of an AYF logoed Wilson football during all AYF-sanctioned tournament and postseason play. This includes regional tournaments and the Under Armour AYF National Championships. A team can play with their own game ball ONLY if it is an AYF Wilson Football; if teams do not bring their own AYF Wilson Game Ball, one will provided at game time.

The following is the recommended size breakdown per team level. To order official AYF Wilson Footballs - visit MyAyf.com.

Division	Ball Size
Instructional	Wilson K2
Cadet	Wilson K2
Jr. PeeWee - PeeWee	Wilson TDJ
Jr. Midgets - Midgets	Wilson TDY
4 th Grade	Wilson K2
5 th - 6 th Grade	Wilson TDJ
7 th - 8 th Grade	Wilson TDJ
9 th - Grade	Wilson TDS

“You can be a hard, but good loser. Any coach or team that cannot lose or treat opponents with respect has no right to win.”- Knute Rockne

E) Scoring, Tie Breakers, Lopsided Rule:

Scoring is as follows:

Touchdown	6 points
Scoring play after touchdown (running or passing)	1 point
Scoring play after touchdown (kicking)	2 points
Safety (awarded to opponent)	2 points
Field goal	3 points
Forfeit	Score of game 6-0
Ties	Declared at the end of regulation

AYF will allow each Conference to set their own tie-breaker system if needed for regular season play. However, “Sudden Death” tie-breakers are prohibited. AYF Inter-Conference, Regional and National

Tournament/Championship Games will utilize the ten (10) yard Tie-Breaker System, as stated in the National Federation of State High School Association (NFHS) Rulebook. The NFHS Tie-Breaker rules amended to start from the 10-yard line.

An **intentionally** run-up score is occurs when a team continues to pour it on even after the game is in their favor and far out of reach for their opponents. Coaches who practice this are to be disciplined by the local Conference/Association. AYF considers this type of coaching contrary to its purposes.

The AYF lopsided score rule is 35 Points or 5 touchdowns, whichever comes first. Once the score differential reaches 35 points or 5 touchdowns, the game clock will become a running clock. Once the clock becomes a running clock it can only be stopped for injuries, official or team time outs. It will be the losing team's preference as to whether they will receive a normal kickoff or they may choose to take the ball on their own 40 yard line. The winning team is prohibited from running any misdirection, counter, reverses or "trick plays" of any kind, or any play that has been consistently run with success during the game. Skill position starters must be replaced whenever possible. Conferences and Associations cannot limit the winning team to only running between the tackles. Mandatory plays must be completed regardless of the score or game clock. If the winning team does not complete their required mandatory plays, the full force of the mandatory play rules will be in effect.

Conferences are required to investigate/review all reported losses of more than 35 points or 5 touchdowns. Conferences are required to establish their own disciplinary actions for coaches that are determined to have **intentionally** run-up the score, in all cases an appeal process must be afforded to the coach, unless the coach has signed acceptance of an agreement prior to the start of the season indicated that the conference will not allow appeals of its disciplinary decisions.

F) Regional / National Tournament:

Special Warning Regarding Rumors:

No one should be allowed to participate in a Local, Regional or National event until all of their paperwork, grade and/or weight have been verified. Any allegations of cheating or violations of this rulebook or any local rule or regulation should be immediately reported, in writing, to either the Association and/or Conference president or their appointed representative for dealing with such issues. Associations and Conferences are required to fully investigate all claims and keep on file a written record of all investigations.

Once the allegations of cheating or rules violation have been reported in writing to the respective official, whether it be Association or Conference, there shall be NO further discussion until it is reviewed, investigated and acted on appropriately by the Association and/or Conference. The act of spreading rumors, which is general talk not based on fact, will not be tolerated in American Youth Football. It not only hurts your credibility, but it affects your team and other teams that may become involved in the rumor.

Any allegation of Cheating or Violations of this Rulebook during post-season play should be reported in writing to the National Office for investigation. Given these facts, any Organization, individual or group of individuals (which includes any member of the organization) spreading rumors of cheating, special treatment or any other false information, whether causing an incident or not during a Regional or National event may be banned from participation in any future Regional or National events for a period of time deemed reasonable by the National Office.

SECTION 11 - PROTESTS

“Win without arrogance, lose without excuses.” - Chris Corkum

Conferences shall have complete jurisdiction over protests concerning all games within their programs. Conferences may choose at their sole discretion whether protests of any kind are allowed. Conferences must maintain consistency with this discretion.

Protests on matters of judgment rendered by any game official WILL NOT be heard under any circumstances.

All protests must be in writing and submitted to the local Conference-designated person no later than 24 hours after termination of the game in question. Conferences have the responsibility of calling a hearing within 48 hours after receipt of the protest, or in the event of a holiday, the following non-holiday day.

“You make a living by what you get, but you make a life by what you give.” - Winston Churchill

SECTION 12 - PARTICIPANT REGISTRATION / ELIGIBILITY

“Look for players with character and ability. But remember, character comes first.” - Joe Gibbs

Note: Falsifying birth or any other documents to make a participant eligible is grounds for forfeiture of all games in which they have participated and permanent suspension of the adult(s) and or organization responsible for the act. All evidence will be turned over to the local authorities for any criminal prosecution that may be relevant.

Consent to Play: Parents or legal guardians are required to furnish to local Associations a written statement declaring their child has permission to participate in local and any AYF activities and that they understand the risks involved. The written and signed statements must include a: *Waiver/Release and Image Release*. Sample copies of these documents can be found online at MyAyf.com. Teams, leagues and associations should consult with local legal counsel to determine if these sample forms meet their individual needs.

Medical Clearance: All AYF participants must deliver to their local Association proof of a Medical Clearance before participating in AYF programs. This includes but is not limited to Preseason Practice. The Medical Clearance must attest to, or contain the statement:

“I, hereby my signature below, do certify that I am licensed by the state and am qualified in determining that: (Child’s Name:) _____ is physically fit and I have found no medical or observable conditions which would contra-indicate him/her from

participating in youth flag football, tackle football, cheer or dance athletic activities. I am, therefore, clearing this individual for athletic participation without limitation.”

This document will be good for one year from the date it was signed. A sample copy of an acceptable document can be found online at MyAyf.com.

Age Certification: AYF requires that all participants present to their local Association an original record of their birth. AYF strongly recommends the use of state-issued DMV (Department of Motor Vehicles) ID cards, certified copy or a notarized photocopy of that original birth certificate or a copy of the birth certificate with a state-issued identification card that requires an original birth certificate (or equivalent) for issuance. These documents shall set forth the date and year of birth and can be a Certificate from the State, County or City Bureau of Vital Statistics, Department of Health, and the Department of Motor Vehicles, School Certificates or Record of Notification of Birth Registration by the Bureau of Census of the U.S. Department of Commerce. Passports, Military ID cards are also acceptable. These documents must be presented to the Conference officials for verification and is part of the mandatory player certification process.

NO HOSPITAL CERTIFICATES WILL BE ACCEPTED. The age certification date is specified under “Divisions.”

Grade Verification: The All-American Division will require a copy of the current or previous season report card to verify the Participant’s grade level in school. This documentation should be maintained along with all other required documentation.

Scholastic Eligibility: All participants must have received a passing grade average for the school year ending just prior to the beginning of the season (e.g., school year ending June 2011 for the Fall 2011 season) to be eligible for AYF participation. If verification of grades are necessary or if passing grades are not achieved, Parent/Guardian/School administrator can make the final ruling regarding scholastic eligibility as to whether or not continued participation will benefit the participant. Each team will be required to submit an AYF Affidavit of Scholastic Eligibility to participate in Regional and National Tournament play.

SECTION 13 - ROSTERS

“Whatever you think you can, or, think you can’t - you are right” - Henry Ford

A Certified Roster means that all of the participants listed on the roster have submitted the AYF Required Paperwork and that all paperwork is authentic and compliant with AYF Rules and Regulations and the participant fits the criteria established for the specific team level and division to which the Participant is certified including but not limited to the Participants Age/Weight and/or Grade. Players added to the roster after August 31 must be certified prior to participating in any game but no later than September 15.

The maximum number of participants allowed on a certified roster is 36. The minimum number of participants required to certify a roster is 16. (See minimum number of players required to play a regulation game Section 10 Playing Season/Games)

Once a roster is full, no player may be dropped to make room for another player. After rosters have been certified, Participants can be moved up to a higher level of play for any reason until September 15. After rosters have been certified, a Participant can only be moved down to a lower level prior to the second regularly scheduled game, as long as that game is prior to the roster add/drop deadline of September 15. Any movement of a certified participant to a level lower than the level that the participant was originally certified at should only be done if the participant is determined to have been placed on a level above his/her ability to participate safely. There must also be room on the roster as no one can be cut/dropped just to make room. There can be no roster movement for any reason after September 15.

Conferences must receive all of their Associations rosters and certify all of their player documentation by September 15. Conferences must maintain in their possession a copy of the final certified copy of all rosters. Conferences must then submit all rosters to AYF National Office by October 1.

"Little Eyes are Watching"

There are little eyes upon you
 And they're watching night and day
 There are little ears that quickly
 Take in every word you say.
 There are little hands all eager
 To do anything you do
 And a little kid who's dreaming
 Of the day they'll be like you.

You're the little angel's idol
 You're the wisest of the wise.
 In that little mind about you
 No suspicions ever rise.
 They believe in you devoutly
 Holds all you say and do:
 They will say and do, in your way
 When they're grown up just like you.

There's a wide-eyed little kid
 Who believes you're always right.

And those eyes are always opened
And they're watching day and night.
You are setting an example
Every day in all you do:
For the little kid who's waiting
To grow up to be like you.

AMERICAN YOUTH FOOTBALL CONFERENCE All-Star Division

The Conference All-Star Division was created to allow the older participants, those leaving youth football, the opportunity to travel and experience participation with kids from other teams they may have competed against over the years of their involvement. It will allow some better understanding and friendships to develop and give coaches from different organizations the opportunity to work together to further the objective of providing and giving back to the youth of their communities. It should be understood that while the participation is in a championship format, it is the exposure and experience being offered to the kids that is the most important feature of this effort. Winning is the result of the contest the reward is the wisdom one will gain from this opportunity.

CHEERLEADING TEAMS ASSEMBLED IN ANY FORM ARE WELCOME TO COME AND CHEER FOR THEIR TEAM ON THE SIDELINE.

Conference All-Star Guidelines:

- 1) Conference All-Star teams have two distinctly different division classifications. They are as follows:
 - a) **Conference All-Star - MIDGETS:** Eligible players would be any player who would qualify to play in the National Division, Midget Classification.
 - i) (14 and Under, as of 7/31, 169/175 max dressed weight, 15 (O/L) as of 7/31 149/155 max dressed weight, or as currently published in the AYF National Rulebook under National Division - Midgets).
 - b) **Conference All-Star - 8th GRADE:** Eligible players would be any player who would qualify to play in the All-American Division 8th Grade Classification.
 - i) (14 in 8th grade (and under) cannot turn 15 on or before 12/31, or as currently published in the AYF National Rulebook under All-American Division - 8th Grade)
- 2) Participation commitment deadline is September 15. Commitments are to be made directly to the National Football Commissioner. Commitment means that each player's parent/guardian has committed and understands the financial, practice and travel obligations. You must have a committed team of players and coaching staff prior to making your commitment to the National Office. Please understand plans are being made based on your commitments - other organizations are making plans or staying home based on your commitment.
- 3) A determination will be made by November 15 as to the status of this Tournament Bracket.
- 4) You must declare, and receive approval for your uniform shirt color upon declaring your commitment to participate. Jersey colors will be accepted on a first come first serve basis with prior year's participation having priority.
- 5) Conference All-Star teams will be required to pay the tournament registration fee upon commitment and acceptance into the National Tournament. This fee is non-refundable and therefore forfeited should a team back out of the tournament. In addition, any Conference that commits to sending a team to the National Tournament and does not compete will be suspended

from participation for 1 year. Repeated offenses will result in longer suspensions. If less than four teams commit or legitimately qualify for participation, all games will be played as bowl games.

- 6) Conference All-Star teams must be made up from kids who participated on/represent at least four different associations within the Conference. No single Association can dominate in participation. You must have a system in place to establish a team with enough kids so that if a team of nominated kids were to make it into the Under Armour AYF National Tournament you would still have a team and coaching staff.
- 7) Conferences will develop their own system for nominating and selecting coaches and players, utilizing the minimum guidelines set forth below. The coaches and players will be those not involved in post-season tournament play.

Coaching Selection:

1. Conferences must develop their own system for All-Star Coaching nomination and selection. You may want to consider developing a certificate you can use to award the coaches nominated/selected as a souvenir and recognition for their contributions to your organization.
2. All Star Coach Nominees should be coaches who have a positive history with the organization.
3. All Star Coach Nominees must be coaches who have demonstrated not only the competence one would expect from a football coach but one who demonstrates the understanding that while every game is played to win, the point of this all-star event goes past the winning and losing, it is a great opportunity for the kids to experience lessons in life that will go way beyond the win or loss of the game. Therefore, the coach must have a **"It's For The Kids"** attitude and demonstrate the highest of moral integrity and character as described in the National Rulebook under Section 17 Coaches; therefore, coaches who use foul language with or in front of the kids should be deemed unacceptable for appointment. Coaches must also understand that while this is a championship bracket, we will adjust where necessary to give each kid the best experience we can and help the Conference All-Star program grow. We will make every effort to include all involved with any adjustments made. Any deviation from the requirements outlined in this document may result in the team being eliminated from participation or required to participate in a bowl game basis only. In other words, a team would forfeit all its games but be allowed to play with everyone's understanding.

Player Selection:

1. Conferences must develop their own system for All-Star player nomination and selection. You may want to consider developing a certificate you can use to award the players nominated and or selected as a souvenir and recognition for their contributions to your organization.
2. Conference selections must be done to ensure an even number of lineman and skill type players are ultimately selected to make up the team. With this in mind, conferences are advised to request nominations from each of their member associations.
3. The player selection process must include a scholastic component. This means that the process should encourage academic achievement.
4. The team must be comprised of kids from at least four different associations; no single association can dominate in participation.
5. Only players who, by the September 15 deadline, were certified, listed on the final roster and actively participated with their team during the entire regular season are eligible.

6. Players cannot play on both the conference all-star team and teams who are participating in postseason play. Therefore, you must select enough players so that you will have a team with or without the players still in post- season play. The timing of the selection and formation of the team must be determined by the Conference, understanding that you will not be allowed to start practice sooner than the second Monday in November, no more than three practices per week, no more than three hours in duration with a mandatory 15-minute break (“Mandatory Break”) after each hour of practice is required. Mandatory Breaks are not counted against the hours per week nor the maximum hours per day.
7. Player nomination and selection should not only take into account a players physical abilities but should consider their contributions and adherence to the five core values attributed to the term “Athlete.” Each All Star athlete should subscribe to the AYF “Circle of Giving Back” philosophy.

Conference Requirements:

1. Conferences must certify that each player nominated and selected is properly listed on the final roster and certified (submitted all of the required documentation) to their respective team by the September 15 deadline.
2. Along with each player’s documentation, Conferences are required to provide a photo copy of the roster that was submitted on the October 1 deadline for the team they are certified to. One roster for each player even if two or more players are from the same team.
3. Conferences must insure that each player actively participated with their team for the entire season.
4. Conferences are required to ensure that all coaches have received a background check and have been cleared by the Association they are affiliated with for their regular season participation. In addition to this requirement, the Conference must review the Association’s background check documentation and complete its’ own review and approval process.
5. The Conference is to complete a roster for this new All-Star team via the documentation provided by the National Office.
6. The Conference is required to guard that the practice rules are adhered to, they are as follows: Practice may not start sooner than the first Monday in November, no more than three practices per week, no more than three hours in duration with a mandatory 15-minute break (“Mandatory Break”) after each hour of practice is required. Mandatory breaks are not counted against the hours per week or the maximum hours per day.
